Testimonials

"To start, the therapists are very caring, wonderful people. Their caring personalities shine through to each and every one of us."
- Vernica Pokoj, Patient

"My sister came to Birchwood from a hopeless situation with many physical disabilities and very little will to live. The staff's commitment enabled her to stabilize and heal both physically and emotionally. There is a generosity of spirit that can be felt among the staff in their way of caring for residents and of responding to family members." - Kristin Cann, Sister of Patient
